

Bison bakes

Use our bison cut outs below to create a template for your very own bison biscuit bakes!

1 Cut out your bison biscuit templates and preheat your oven.

3 Decorate your biscuits! Get creative with your decoration, maybe use icing sugar to create horns on your bison biscuits.

2 Follow a biscuit recipe to create your dough ready to bake!

Why not try this one?

You are ready to start your cake sale! Remember to share the news of your event. You can use the posters and social tiles in your fundraising pack.

Any funds you raise will go towards a #WilderKent!
